Important Information and Forward Looking Statements

This press release contains statements about future results, plans and events that may constitute "forward-looking" statements. We caution you that the forward-looking information presented in this press release is not a guarantee of future events, and that actual events may differ materially from those made in or suggested by the forward-looking information contained in this press release. In addition, forward-looking statements generally can be identified by the use of forward-looking terminology such as "may," "plan," "seek," "comfortable with," "will," "expect," "intend," "estimate," "anticipate," "believe" or "continue" or the negative thereof or variations thereon or similar terminology. Forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond Syncora Guarantee's control. Readers are cautioned not to place undue reliance on forward-looking statements which speak only as of the date they are made. Syncora Guarantee does not undertake to update forward-looking statements to reflect the impact of circumstances or events that arise after the date the forward-looking statements are made.
